

The Wine Advocate
Tasting History

Source	Reviewer	Rating	Maturity	Current (Release) Cost
Wine Advocate #204 Dec 2012	Antonio Galloni	95	Drink 2015-2025	\$135

Plums, mocha, espresso and pencil shavings all burst from the glass as the 2010 Cabernet Sauvignon shows off its large-scaled, intense personality. With time in the glass, the 2010 becomes even richer, with endless layers of fruit that flesh out beautifully. This big, voluptuous wine is super-exciting from the very first taste. Anticipated maturity: 2015-2025.

Celia Welch is probably best known to readers for the wines she crafts for Scarecrow, Kelly Fleming, Keever, Lindstrom and others, but her own wines are every bit as compelling.
