

CORRA

2013 Corra Cabernet Sauvignon Melanson Vineyard

Growing Conditions:

With tremendous pride, Corra presents the second edition of the Melanson Vineyard designate Cabernet Sauvignon. This wine hails completely from Greg Melanson's beautiful vineyard on Pritchard Hill. These vines show tenacity and tremendous spirit in growing on a steep hillside with many rocks and little soil, and the intensity and concentration of the wine is a reflection of this extreme vineyard site.

Tasting notes:

Aromas of dark berry pie, hints of roasted cocoa nibs and just a hint of baking spices intertwine in the intense aromas, a precursor of the flavors at entry. Black fruit flavor and concentration increase in volume through the mid-palate, as this wine shows the backbone and structure that are the signature of this vineyard. With a finish driven by juicy, sweet fruit character, a sense of grace and elegance completes the portrait of this terroir-driven wine.

A total of 50 cases were produced.
